VISU VARTHAN SR

Thiruninravur, Chennai | 9361140524 | s.r.visuvarthan@gmail.com | linkedin.com/in/visu-varthan-586506217

PROFESSIONAL SUMMARY

Backend Developer with experience in **Python, Java, Neo4j,** and **MySQL**, focused on workflow automation and backend development. Completed **Generative AI** training and applied **LLM-based automation** to reduce repetitive engineering work.

TECHNICAL SKILLS

Languages : Python, Java, HTML, JSON
AI & ML : Generative AI, LLM Integration, RAG, Prompt Engineering, Ollama, LangChain, Vector Embeddings
Frameworks & Libraries : FastAPI, Streamlit
Databases : Neo4j (Cypher), MySQL, MongoDB
Tools : Git, Postman
Telecom & Domain : Blueplanet OSS, TMF622, TMF641, BPMN (Camunda), Jira

EXPERIENCE

Data Science Intern | *Vaani Analytics, Chennai* *May 2023*

- Completed a final-year undergraduate internship in **Data Science** using **R**, applying statistical analysis and data modeling techniques to real-world datasets.

Associate Software Developer | *Prodapt Solutions Pvt Ltd* *November 2023 – Present*

- Resolved production stories end-to-end by reading **Java**-based **Blueplanet OSS** code, running **Cypher** queries on **Neo4j** for root-cause analysis, and using **MobaXterm** for log monitoring and debugging.
- Handled **Jira**-based delivery for sprint stories, from requirement analysis to fix and production release.
- Built an AI-based order recovery tool for **TMF622/TMF641** telecom orders using **Python**, **FastAPI**, and a **RAG pipeline** with a locally hosted **LLM (Ollama)** to help detect, diagnose, and resubmit failed orders, reducing manual triage effort.
- Applied **LLM-based automation** to backend workflows using **Python**, **Streamlit**, and **MongoDB** to reduce repetitive engineering tasks.

AWARDS AND CERTIFICATIONS

Agentic AI | *Manipal University* *JUNE 2026*
Best Employee of the Project | *Prodapt Solutions Pvt Ltd* *2024–2025*
Internal Hackathon Participant | *Prodapt Solutions Pvt Ltd* *2024–2025*
Generative AI Training Program | *Prodapt Solutions Pvt Ltd (Internal)* *2024*

- 3-month program covering LLM fundamentals, prompt engineering, and RAG pipelines.

EDUCATION

Gurunanak University **BCA in Computer Applications** — GPA : 8.75 *June 2020 – June 2023*
